Immigration.com team has been working on my EB-2 visa and we started the first step GC process in June 2014 and today i have my labor application approved (Feb 2015) . The team (My main interaction is with Vijay Durgam) during the last few months and they have gone to meticulous detail in getting this through. We had numerous conversations to ensure that everything was in place and a brilliant idea from the team helped me expedite the process before the labor is filed. My 6 years H1 term was ending in Sep 2015 and this has been a remarkable progress for me in the last few months.

I look forward to work with them futher on my I-140 and I am pretty sure this positive experience is going to improve further.

Thank You Vijay and team!!
