Ph.D in Engineering ? EB1 AEA

Ph.D in Engineering ? EB1 AEA ^[1]

Submitted by Chief Editor on Jan 1st 2009

We won a case for a Ph.D. in computer science/engineering who had over nine years of experience. The applicant held various positions at highly prestigious research institutes in the world. His expertise was considered a cut above the rest and therefore ranked as one of the top in his field. He was a noted author for several scientific journals and posted many conference publications, technical reports and book chapters. He was the recipient of notable awards for extraordinary achievement. He also conducted peer reviewing of manuscripts for prestigious international journals and conferences. He was also often called upon for oral presentations and seminars, which resulted in extensive international collaborations. He also served as peer reviewer, committee organizing member, and graduate supervising committee member. In addition, he was a member of 2 prestigious professional societies. He was well known in his field for numerous innovative and pioneering discoveries.

Green Card:
