

Federal Contractor?

Here's some important information for you!

As of September 8, 2009, federal contractors and subcontractors are required to use E-Verify for all new hires and existing employees working on federal contracts if their contract includes the Federal Acquisition Regulation (FAR) E-Verify clause. E-Verify is a fast, free and easy to use Internet-based system that allows employers to verify the eligibility of their employees to work in the United States.

What Contracts are Affected by the FAR E-Verify Clause?*

Prime Contracts

- Value above \$150,000
- Period of performance of 120 days or more, and
- At least some of the contract work is performed in the United States

Subcontracts

- Value of more than \$3,000
- Contract is for commercial or noncommercial services or construction, and
- At least some of the contract work is performed in the United States

Indefinite Delivery/Quantity Contracts

- Existing contract
- Period of performance extends at least six months after 9/8/2009
- Substantial amount of work or number of orders expected during remaining performance period, and
- Contract may be bilaterally modified to include the FAR E-Verify clause

* Commercially available off the shelf (COTS) items or services are not subject to the FAR E-Verify clause.

How Do I Enroll?

Go to www.dhs.gov/E-Verify; click on "Enroll in E-Verify."

Federal contractors and subcontractors who have been awarded a federal contract with the FAR E-Verify clause must enroll online within 30 days of the contract award date or contract modification date.

If your company is already enrolled in E-Verify, but not designated as a Federal contractor with FAR E-Verify clause, you must update your Company Profile in E-Verify to change your organization designation within 30 calendar days of the contract award date or contract modification date.

E-Verify welcomes and encourages all employers to enroll in E-Verify to maintain a legal workforce.
